APIA has not decided how to implement the CRRSA funding, and will work with DWD as additional guidance is needed. We are hiring a part-time, time-limited (6 months) employee to assist us with this process. Maria Calhoun, Child Care Program Specialist, is in the background check stage of being hired and will be working closely with Kimber Olson, Division Coordinator, and Ken LeMuix, federal partner, to obtain additional guidance to formalize our plan.

Best,
Kimber
